

**Minutes to be approved at September 12, 2011 Central Beaverton NAC Meeting.**

**Central Beaverton NAC for August 1, 2011**

**ITEM DISCUSSED:** Beaverton Police Department

**Discussion points:** Officer Mike Smith/activity for the month

Regarding the new Traffic Team program, where you call and complain about traffic issues and violations, unfortunately, as yet, there is no new information on how that is going. Officer Smith will get answers as soon as they are available.

Police get a lot of complaints about speeding thru neighborhoods. Since police cannot usually catch the person in the "act" of speeding, what usually happens is the police blanket the area and hope that the person does it again. Ideas of sending postcards out to the residents in the area letting families know that this is occurring in their neighborhood, in hopes that whoever is speeding, they will curb their "speeding" behavior.

**National Night Out is Tuesday August 2<sup>nd</sup> from 6-8pm. Radio Disney will be there, powered by, Beaverton Toyota.** There will be games, food, and K9 unit. Event is expecting several hundred people. Located at 5<sup>th</sup> and Griffith (City Hall/Beaverton Police Department)

Police Department is now offering a prescription drug drop off box in the City Hall Building at the Police Department Lobby. Program starts July 15<sup>th</sup> and drop off will be accepted Monday through Thursday 7am-5pm. Will be stored in a very safe/secure locked box and destroyed.

As of 7/21/2011 Police Department has a Facebook page, please check it out.

There is a vehicle compliance program or "fix it ticket" program. There are 23 moving violations that require a "fix it ticket". The procedure is, you get the ticket, and you correct or repair the violation. Fill out the Beaverton Police Vehicle Compliance Program form; bring the citation, your vehicle or documentation showing that the problem has been corrected to the Beaverton Police Department **prior to your court date**. Compliance checks will be conducted at the Beaverton Police Department. You may have to wait for an available officer to help you. If it is determined that the violation has been remedied, the remaining portion of this form will be signed off by the officer. You will then need to take the completed form and pay a \$40.00 administrative fee to the Beaverton Municipal Court and you are done. No further action is necessary.

Since the weather has been nice, police are getting more noise complaints.
